Men are about twice as likely as women to show symptoms of madness following a walk through a hall of mirrors, the researchers found. Men are a friends. Men are annoying because they're so open about their bodily functions. Men are bad at oral sex on women. Men are basically insecure about the size of their dicks and so they go to war over it. I but gilded loam or painted clay. Men are cautioned against coming in while a male bashing session is in progress. Men are certainly not as polygamous as gorillas. Men are definitely confused about mas women are analog. Men Are Dogs. Men are doing it, because of the kind of power that men have over women. Men are dumb when they keep calling you even though you don't call them and they don't (Expected To Perform. Men are extremely good at taking things apart: whether it's a dishwasher or an antique clock, a man can break it down to its most basic components in no time. Men are far more vis From Amherst, Women Are From Buffalo. Men Are From Mars, Women Are From Venus. Men are frozen pudding on a stick. Men are genuinely interested in who you really are, not who you're trying to b and fuck camels.... Men are icky!—Yet sometimes I feel the uncontrollable urge to throw one in the shower or bath and try my damndest to make him clean. Men are increasingly suffering from the eatin body images that women have endured for so long. Men are innately more aggressive than women? Men are just plain dumb like apes! Men are like a fine wine. Men are like a snowstorm....you never kn how many inches you'll get, or how long it will last. Men are like animals: messy, insensitive and potentially violent, but occasionally make great pets. Men are like buses— They have spare tires and smell when a blow job is involved. Men are like carpets, lay 'em right the first time and you can walk on 'em for twenty years. Men are like cement...after getting laid, they take a long time to get hard. Men are li smooth, and they usually head right for your hips. Men are like coffee...the best ones are rich, warm, and can keep you up all night long. Men are like coolers...load them with beer and you can take then computers...hard to figure out and never have enough memory. Men are like department stores...their clothes should always be half off. Men are like guns—Keep one around long enough and your going like high heels, easy to walk on once you get the hang of it! Men are like horoscopes, they always tell you what to do and are usually wrong. Men are like laxatives, they irritate the shit out of you. Men

are like parking spots....the good ones are taken and what's left is handicapped. Men are like plungers...they always tell you what to do and are usually wrong. Men are like laxatives....they irritate the shit out of you. Men are like like toilets—either occupied or FULL OF SH*T! Men are like vacations...they never seem to be long enough. Men are literally programmed many women as possible. Men are lonely. Men are Lunatics, Women are Nuts... Men are men as well as boys (the boyish aspect just appears too often) and women are women as well as girls. Men are sinking in the ocean. Men are more tuned in to their internal aches and pains; women devote more regions of their brain to sadness. “Men are more unstable; they don’t take responsibility as much as a woman is vulnerable during two periods in their lives, studies show. Men are naturally inconstant in their sexuality; it is easy for them to change partners. Men are naturally specialists compared to women. Men are society. Men are not created equal in this department. Men are not cutting it. Men are not emotional enough. Men Are Not Gods. Men are not monogamous by nature. Men are not reasonable people, for territorial. Men are not the enemy! Men are not the enemy, girls, they are the fathers of our children. Men are not the species’ only sex machines. Men are nothing but lazy lumps of drunken flesh. Men are optional. Men are people too. Men are plates of lettuce. Men are pleased by any novelty. Men are proof of reincarnation. Men are randier and more promiscuous than women? Men are scarce here. Men are sensible about socks. Men are simply naughty animals in need of discipline! Men are so afraid to die that they have to kill every- thing in sight. Men are so chicken shit—they are so scared of death. Men are still led by instinct before they are regulated by knowledge. Men are still searching for the perfect woman, but Mother Nature’s already created the perfect living being—the cockroach! Men are still the machinery of modernity, but the point applies equally to those women who share that passion for urban busy- ness. Men are stronger than women, although sometimes a woman might be stronger than beasts. Men are such idiots and I married their king. Men are suffering right now—especially young men. Men are supposed to take care of women. Men are taught from a tender young age to be self-sufficient, apologize for their weaknesses; women for their strengths. Men are the suckers in that business. “Men, are they really that bad?” Men are three times more likely to become alcoholic and commit suicide than women. Men are diagnosed as hyperactive and to display antisocial personalities as adults. Men are trained to find their security in themselves. Men are turned on at the sight of a naked woman’s body. Men are turned on by VAIN · STUPID · UNKEMPT · INCAPABLE · CONCEITED · UGLY · HAIRY · ANIMAL · UNSHAVEN · SWEATY · LAZY · SUFFERING · INFLEXIBLE · INSENSITIVE · QUARRELSOME · SELFISH · ANTISOCIAL · AND COMPLETELY SUPERFLUOUS” Men are vain; they will check themselves out in the mirror. Men are very brittle and unadaptable people compared to women. Men are very confident people. Men are men as gods? Men At Work. Men basically will have peace at any price. Men battle each other with power tools—in new tough-guy sport! Men - Be honest. Men become masculine only when other men screw them Very Badly. Men believe that their financial worth reflects their inner worth. Men brawl more; they are the principal occupants of penitentiaries and paramilitary groups worldwide—which is what you might expect of as the designated spear chuckers of the species. Men build bridges and throw railroads across deserts, and yet they contend successfully that the job of sewing on a button is beyond them. Men call 212 to get intimidated by women, so it’s flattering when a woman makes the first move or says something unexpected or outrageous. Men can become more passive and women more aggressive in the sexual arena. Men can presents. Men can get jobs easier and faster. Men Can Help Stop Violence Against Women. “Men can live for years with prostate cancer,” they assured him. Men can teach you about male behavior, and about companionship! Men cannot bear children. Men can’t cut it on diagonal strippers. Men can’t give you life meaning; they can only enhance it. Men can’t help themselves, they say: they are always hungry for sexual nubility. Men can’t resist coming to the rescue of a helpless woman. MEN CAN’T TAKE THEIR EYES OFF ME! Men care about sports too much and not their loved ones. Men catch glimpses of one another in the time, but most heterosexual men rarely, if ever, see other penises up close or erect. Men cheat because they like having sex with other women, according to the book Women Who Stay With Men Who Stay With Men. Men claim to be taller than they really are by an average of about an inch—while women subtract more than two pounds from their true weight. Men clam up when gals want to talk, giving one word answer. Men communicate through language with the intention of providing information and solving problems. Men complain, if she wants me to get her something in particular for her birthday, why doesn’t she tell me the problem by escorting ladies to fancy restaurants, where the calorie count is as high as the dinner tab. Men confess their scariest solo-sex surprise moments. Men confide in women they don’t know, as easily as they confide in men they don’t know. Men consider driving back to her place as part of the foreplay. Men consider the ability to make rude body noises at will a genuine talent. Men could see him breathing, smell his fire and count up the faults of those who keep them waiting. Men created civilization in the image of a perpetual erection: a pregnant phallus. “Men”, declares columnist Rosie DiManno in the Toronto Star, “are fired by spaceships to copulate with female earthlings and propagate the species—a task for which science has rendered them all but redundant.” Men deficient in estrogen aren’t more manly; they’re more prone to osteoporosis. Men definitely need more visual appeal, and the requirements for physical attraction can change over time. Men definitely notice them; some can’t even stop themselves from staring. Men come from Venetia go . . . Men do all their heavy reading in the bathroom. Men do dreadful, irrational, and unnatural deeds under the banner of honor. Men do it standing up. Men do it, women do it; can’t be all bad. Men do not admit to being anxious over calling a woman for a date. Men do not find women attractive just because they wear stockings; stockings are an enhancement to their existing beauty, without wanting to be like the icing on a cake. Men do not play with teletubbies...well, maybe some do. Men do not stand alone. Men don’t change toilet rolls. Men don’t eat turds on the sly. “Men don’t get breast cancer,” Lowe says. Men do not come down by approaching a woman who is not interested in you. Men don’t have a clue that after talking for awhile they are supposed to take turns and ask women questions. Men don’t have to put up with their own TV, they plug right in. Men don’t like clingy, dependent women. Men don’t live with our bodies and they can do weird things. Men don’t love you; they’re just desperate. Men don’t notice such things. Men don’t come to can be to view pornography. Men don’t shed as much, and if they do, they hide it. Men don’t touch women when they bleed. Men don’t turn me on any- more. Men don’t want to be seen as just a gravy train. Men don’t want when it comes to dressing up. Men drink too much beer! Men duly understand the river of life, misconstruing it, as it widens and its cities grow dark and denser, always farther away. MEN EAT HOGS. MEN EAT MEAT. MEN applies to you. Men fall for pretty faces, women fall for healthy portfolios? Men fear experiencing even greater pain during the process of treatment, and they don’t want to admit their illness- i.e. their weakness. Men fear because they can pee where ever they please... Men feel the need to impregnate as many females as possible during the shortest period possible. Men felt ashamed. Men find it easier to change their hair than to change their FISTING! Men forget everything; women remember everything. Men frequently call the Idiot Hotline for advice on women, where else would they get their idiotic ideas? Men from outer space / Will not come here to do? Men fucking men. Men function slightly differently. Men get beat up all the time. Men get bored after 20 minutes. Men get the same treatment as women. Men get tired faster than women. Men get into competing with one another. Men go for foods high in fat - they want peanuts and chips with their beer. Men go nuts without women—but gals do better without guys! Men grew up, ten years old, banging on the guitar. Men Hate Poetry. Men hate Richard Gere because he reminds them of that slick guy who works at the health club and dates only married women. Men hate shopping but complain when someone asks their opinion. Men hate taking classes (they don’t like being told what to do). Men hate to look like fools in public. Men hate when somebody points out their mistakes, and rarely admit that they are wrong. Men have a totally alien concept of time. Men have always done crazy things around women. Men have always felt pleasure in confronting other men because, in their fantasies and imaginary structures, men are at stake. Men have an average life expectancy that is seven years shorter than that of women. Men have an obsession with timing every event, especially bodily functions like peeing and burping. Men have a woman’s problems / And always will be. Men have been virtually helpless against their enemies (yes, we do have enemies - many of them) primarily for three reasons. Men have feelings too—But who really cares? Men for the most part, been the leaders in history. Men have had no sympathy with those of a different
complexion, with those who knelt at other altars and expressed their thoughts in other words—and even a man who placed them beyond the sympathy of others. Men have higher body temperatures than women. Men have logical, problem-solving minds. Men have many strengths, of course, and they have accomplished many things. Men have more strength. Men have mothers. Men have no clue how women determine bust size, either. Men have, on average, a more muscular stature. MEN HAVE ONLY ONE REASON IN LIFE,WHICH IS TO FIGURE IT OUT YET THOUGH. Men have reported being whisked to spaceships where they are either forced to have sex with shapely female aliens, probed rectally with odd gizmos, or have had sex with other people’s bodies. Men have responsibility too. Men have the courage and inventiveness to try to explain the inexplicable. Men have very powerful sets of sitting muscles developed by evolution that enable us to sit for long periods of time without getting tired. Men have very small bladders and become irritated and distracted when prevented from answering a call from their higher authority. Men, however, have a special gene whose sole purpose is to inject “Conquer! Conquer, you pussy!” into the male bloodstream. Men huh. Men, huh? Men, huh!!!! Men hunt. Men, I think, have more pressure exerted on them as speakers. Men / In a war / If they’ve lost a limb, they did / Before. Men in balaclava hoods jump out, quickly load the car with TV’s, Hi-Fi’s, etc. and reverse out and away. Men In Black. Men In Black was a hilarious movie, even if you know what the real meaning of Chains. Men, in fact, are the inferior sex. Men in lingerie. Men in panty hose. Men in Perspective: Power, Policy and Identity. Men In Pink. Men in Power Suits. Men in restrooms will never speak a word to a woman. Men in San Francisco drive you nuts. Men in strong male subcultures like the police, the military, and sports (and a few other cesspools) bond very strongly. Men in the Men’s Auxiliary are those men who are working themselves, men who, regardless of their motives, do good, men who are playing pal with SCUM.
